

ROUND² LAB

it's time again!

ROUND2 LAB IS A PROGRAM TO HELP ENTREPRENEURS TAKE THEIR BUSINESS TO THE NEXT LEVEL.

Round2 Lab is a leading European program for young companies in their scale-up phase bringing together high calibre coaches with exceptional tech companies. So far more than 20 ventures from four countries have concluded the Round2 Lab, many of them having successfully scaled their business, raised more capital and closed profitable exits.

Starting on November 4th 2020, the third iteration of the program will get going and will be finished by the end of Q1 2021. The program modules focus on key challenges regarding people, innovation management, strategy, marketing, execution and finance. The Round2 Lab provides participants with hands-on tools for successfully scaling a company. Now open for applications!
